SUBJECT: Scholarship Development Meeting

There will be a meeting on Wednesday, February 9 at noon in Library 3205, to discuss Third World scholarship development. We have been presented with an idea to sponsor a play entitled "For Better Not For Worse" by South African playwright, Salaelo Maredi. As far as I know, we are the only ones interested in presenting the play in Western Washington. I would like to discuss the possibility of using this as a means to raise money.

We can also look at small sources of revenue, such as bake sales, socials, Super Saturday, etc. The idea has also been generated to do research in locating and writing to potential grant sources.

Whatever the idea, of course, we need commitments to see them through. Please come and participate. Let's set a plan of action for the rest of this academic year.
