(Maya Angelou)

### GUEST SPEAKER

Rick Steves, author, radio and television personality

Rick Steves is the author of more than 50 European travel guidebooks and host of  
the popular public television series, "Rick Steves' Europe." A syndicated columnist for the  
*Chicago Tribune*, as well as a radio and television personality, Steves is a noted advocate  
for thoughtful travel as a means to expand perspectives and to shape how we address the  
challenges confronting our world.

A native of Edmonds, Washington, Steves studied at the University of Washington  
where he received degrees in business administration and European history. Since 1973, he  
has spent 120 days per year—one third of his adult life—living out of a suitcase in Europe.  
This experience has shaped his thinking and sparked his commitment to social activism, a  
topic he reflects on in his most recent book, *Travel as a Political Act*.

Steves is outspoken on the need for Americans to fit better into our planet, and  
is also committed to his own neighborhood. He lives and works in his hometown of  
Edmonds, where his office window overlooks his old junior high school. He is an advocate  
for the homeless, purchasing a 24-unit apartment complex in Lynnwood, Washington, to  
house homeless mothers and their children. He raises funds for the hunger advocacy group  
Bread for the World, and has been a generous donor to the Edmonds Center for the Arts  
and the Cascade Symphony Orchestra.

### PROCESSIONAL MUSIC

Artesian Rumble Arkestra based in Olympia, Washington.

### CELEBRATING 40 YEARS OF EVERGREEN

On October 4, 1971, Evergreen's first president, Charles McCann, and the college's  
founding faculty held the first day of classes for 1,178 new students. The following  
June, 21 of those students received their diplomas, becoming the Class of '72,  
Evergreen's first graduates. Throughout the 2011-12 academic year we've been celebrating  
this milestone, culminating today with the Class of 2012 graduation ceremony.

## CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16<sup>th</sup>-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has increasingly become the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

## THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

## ACADEMIC COSTUMES

The origins of academic dress date back to the 12<sup>th</sup> and 13<sup>th</sup> centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

### THE GEODUCK\* FIGHT SONG

1. Go, Geoducks go,  
Through the mud and the sand,  
let's go.  
Siphon high, squirt it out,  
swivel all about,  
let it all hang out.
2. Go, Geoducks go,  
Stretch your neck when the tide  
is low,  
Siphon high, squirt it out,  
swivel all about,  
let it all hang out.

\*Malcolm Stilson's original "Geoduc" spelling was changed to "Geoduck" to reflect common current usage and Evergreen standard spelling.
