THIRD WORLD COMMUNITY NEWSLETTER

Volume II, Number 1

January 7, 1977

Beginning this quarter the Coalition will again be circulating a bi-monthly Newsletter. One of the purposes of this Newsletter is to help keep Third World people at Evergreen informed about pertinent information related to our survival. Also, this year we would like to further develop Third World community members participation in the Newsletter. If individuals or groups would like to submit poetry, essays, program activities, or maybe analysis of particular situations you think are of importance to us as a community, please feel free to do so.

The plan is to have the Newsletter circulated on the second and fourth Wednesday of each month, so if you have materials you want to submit, please do so by the first and third Wednesday prior to publication. Materials should be submitted to Kim Bingham in Library 3236. Your support is important and appreciated.

NEW SECRETARY FOR COALITION

As time permits, I hope you can drop by Library 3236 and welcome the Coalition's new secretary, Ms Kim Bingham, to Evergreen.
