Proceeds from the sale of graduation announcements and graduation T-shirts provide funding for the class donation. The 2009 graduating class chose to donate this year's proceeds to Evergreen's Organic Farm. The organic farm engages in community supported agriculture, works to achieve better, more sustainable farming methods, and serves as a teaching space for students learning to develop a more beneficial way of working on issues of food, nutrition, landscape use, and preserving natural habitat and biodiversity.

2009 CLASS THEME  
"We are the ones we've been waiting for."  
(Hopi Elders)

## GUEST SPEAKER

David Whyte grew up among the hills and valleys of Yorkshire, England. A captivating speaker with a compelling blend of profound poetry and insightful commentary, Whyte is one of the few poets to take his perspectives on creativity into the field of organizational development, where he works with a diverse international clientele. He holds a degree in Marine Zoology and is the recipient of an Honorary Degree from Neumann College, as well as an Associate Fellow of the Said Business School at the University of Oxford. He has traveled extensively, including working as a naturalist guide and leading anthropological and natural history expeditions in the Galapagos, the Andes and the Himalayas. He brings this wealth of experience to his poetry, his lectures and his workshops.

In organizational settings, Whyte illustrates how we can foster qualities of courage and engagement; qualities needed if we are to respond to today's call for increased creativity and adaptability in the workplace. An outstanding, sought-after speaker whose client list reads like a Who's Who in international business, he brings a unique contribution to our understanding of the nature of individual and organizational change.

Whyte is the author of six volumes of poetry and three books of prose: *The Three Marriages: Reimagining Work, Self & Relationship*, (Riverhead 2009), *Crossing the Unknown Sea: Work as a Pilgrimage of Identity*, (Riverhead 2001) and *The Heart Aroused: Poetry and the Preservation of the Soul in Corporate America* (Doubleday/Currency 1994). His most recent poetry book, *River Flow: New & Selected Poems 1984-2007*, was published in 2007. His previous five volumes include *Everything is Waiting for You*, *The House of Belonging*, *Fire in the Earth*, *Where Many Rivers Meet*, and *Songs for Coming Home*.

David Whyte lives with his family in the Pacific Northwest.

PROCESSIONAL MUSIC

## CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16th-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has increasingly become the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

## THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

## ACADEMIC COSTUMES

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

GEODUC FIGHT SONG

1. Go, Geoducs go,  
Through the mud and the sand,  
let's go.  
Siphon high, squirt it out,  
swivel all about,  
let it all hang out.
2. Go, Geoducs go,  
Stretch your neck when the tide  
is low,  
Siphon high, squirt it out,  
swivel all about,  
let it all hang out.
