

Mary Hittmaire Native American Studies

separate values and goals: looking for "significant experience" for Indians. "Establish a difference" combined with "linkage power"

1st year: identify individual interests, try to match institutional forms, for e.g. counseling.

2nd year: oral tradition

"cultural reentry" → seminars
→ compare other colleges
→ graduate programs in social service.

expertise with "transferable qualities" culturally and educationally.

People ↔ Land
↔ one another
↔ work
↔ "exchange" (self-actualization)
