GUEST SPEAKER

Josh Blue has been a fast-rising star since first appearing on Comedy Central's "Mind of Mencia" before gaining the attention and endearment of the country as a favorite on NBC's "Last Comic Standing."

Josh is a diverse and triumphant individual—hilarious stand-up comedian, standout guest star on television, talented artist, and stellar U.S. Paralympic Soccer player—refusing to bow to any of the challenges that come from living with cerebral palsy.

He uses his incredible sense of humor and versatile persona to defy stereotypes and encourage others to overcome their preconceived notions about people who are considered "disabled." His unique brand of "reverse teasing" affords him the great joy of, as he says it, "humbling condescending people."

Josh got his start in stand-up comedy while he was a student at The Evergreen State College. His studies focused in the humanities, but he always had an ambition to perform. He graduated with a Bachelor of Arts in 2001.

His standout performances at the 2004 Las Vegas Comedy Festival earned him the Grand Prize in the Royal Flush Comedy Competition. He has appeared on NBC, MSNBC, FOX News, and Fox Sports Net. In 2005, Josh emerged as a major force on the college circuit with main stage showcases that garnered rave reviews.

From comedy clubs and theater engagements to college campuses and corporate events, wherever he takes the stage Josh elicits a wildly appreciative crowd response. His uncanny ability to improvise with any audience coupled with comedic timing rarely found in a performer of his age has enabled Josh to rapidly develop a fan base across the country.

Josh's Robe: *The African robe Josh is wearing today was given to him by a group of people he befriended while living in Senegal. They are from the Bifal sect of Islam, and their robes are made out of scraps from local seamstresses. They have a philosophy of using what you have (nothing goes to waste) and performing good deeds for others.*

PROCESSIONAL MUSIC

Artesian Rumble Arkestra based in Olympia, Washington.

CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16th-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has increasingly become the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

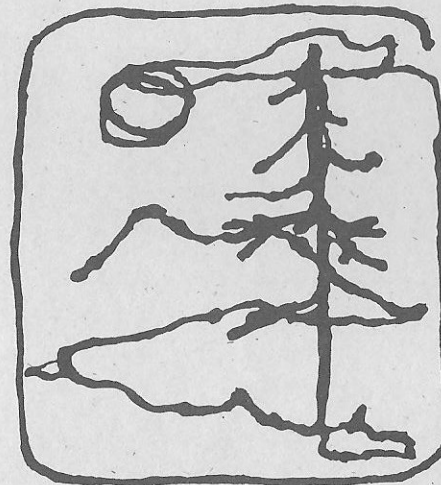

THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

ACADEMIC COSTUMES

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

GEODUC FIGHT SONG

1. Go, Geoducs go,
Through the mud and the sand,
let's go.
Siphon high, squirt it out,
swivel all about,
let it all hang out.
2. Go, Geoducs go,
Stretch your neck when the tide
is low,
Siphon high, squirt it out,
swivel all about,
let it all hang out.
