THE EVERGREEN STATE COLLEGE
FORTY-FOURTH ANNUAL
COMMENCEMENT CEREMONY
JUNE 12, 2015

The program will last approximately three hours.

With 1,000 or more graduates to recognize, we ask that the audience remain seated until the Recessional has concluded. The last person recognized deserves the same support, respect and celebration as the first. Your presence is part of the graduation experience for all. Graduates, families and friends will appreciate your thoughtfulness.

The ceremony will be broadcast in the Lecture Halls and in all the Seminar II buildings (A-E), Rooms 2107 and 2109.

Hearing assistive devices are available; please see an usher.

Seating is available for individuals with disabilities.

Smoking is permitted only in designated areas.

Drugs and alcohol are not permitted.

We request that family and friends of graduates refrain from taking pictures in the roped-off section in front of the stage.

A professional photographer will photograph all graduates as they receive their diplomas. After commencement, graduates can order photos online at www.gradimages.com or call (800) 424-3686.

ABOUT THE GUEST SPEAKER

Kshama Sawant, Ph.D.

Kshama Sawant is a Seattle City Council Member and social justice activist. As an elected official, she pledges to be a voice for workers, youth, the oppressed and the voiceless. She accepts only the average worker's wage and donates the rest of her six-figure salary to building the social justice movement.

A former software engineer from India, she became an adjunct professor after immigrating to the U.S. and earning a Ph.D. in economics.

Kshama has been an activist in her union, the American Federation of Teachers Local 1789, and is a member of Socialist Alternative, a national organization fighting in workplaces, communities, and campuses against the exploitation and injustices people face every day. Socialist Alternative is in political solidarity with the Committee for a Workers' International, a worldwide organization fighting for working class interests in 47 countries, on every continent.

2015 CLASS DONATION

Proceeds from the sale of graduation announcements and graduation T-shirts fund the class gift donation. The 2015 graduating class chose to donate their class gift to SafePlace, a private nonprofit advocacy agency in Olympia and confidential shelter for survivors of domestic violence and sexual assault.

CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16th-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has increasingly become the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

ACADEMIC COSTUMES

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

THE COLLEGE MASCOT

Founders of the college wanted a mascot that epitomized the difference between traditional schools and Evergreen's innovative ideas. It had to be the opposite of all the snarling, fierce, aggressive mascots typically seen in athletics. They chose the Geoduck, one of the world's largest species of clam and among the most abundant marine animals in south Puget Sound. The name Geoduck derives from the southern Lushootseed word "g^widaq," literally meaning, "to dig deep." It is a symbol of the essence of college: accessible to all who are willing to dig deep—stable, yet flexible, and the antidote to departmental thinking and design that are standard in most colleges and universities.

THE GEODUCK* FIGHT SONG

1. Go, Geoducks go,
Through the mud and the sand,
let's go.
Siphon high, squirt it out,
swivel all about,
let it all hang out.
2. Go, Geoducks go,
Stretch your neck when the tide
is low,
Siphon high, squirt it out,
swivel all about,
let it all hang out.

*Malcolm Stilson's original "Geoduc" spelling was changed to "Geoduck" to reflect common current usage and Evergreen standard spelling.
