Students at Fort Steilacoom and Tacoma Community Colleges will have a chance to talk to three representatives from The Evergreen State College the first week of March.

Evergreen Admissions Director Ken Mayer said he will visit Tacoma Community College March 1 and 2 and Fort Steilacoom Community College March 3 and 4. At each of the schools, Mayer will be accompanied by one Evergreen faculty member and one student. All three will be available for talks with students from 8:30 a.m. to 2 p.m. and from 6:30-8:30 p.m. on each of the four days.

Mayer said the purpose of the two-day visits will be to explain Evergreen's academic programs, faculty and facilities to students interested in transferring to the Olympia college.
