The Evergreen State College  
Olympia, Washington 98505

for immediate release  
January 17, 1974

Howard Kottler, nationally known ceramicist and professor at the University of Washington, will discuss sculptural ceramics at The Evergreen State College Sunday, January 20, at 7 p.m. on the third floor lobby of the Evans Library Building.

His discussion is presented by the Evergreen Visual Environment Group and is free and open to the public.
