2007 CLASS DONATION

Proceeds from the sale of graduation announcements and graduation T-shirts provide funding for the class donation. The 2007 Graduating Class chose to donate this year's proceeds to Garden-Raised Bounty (GRuB), a non-profit organization located in Thurston and Mason counties. GRuB's Kitchen Garden Project helps low-income families to help themselves by building raised-bed gardens at their homes and improve the quality of life and nutrition to low-income seniors through therapeutic garden programs.

2007 CLASS THEME

"I have never let my schooling interfere with my education." (Mark Twain)

GUEST SPEAKER

Dr. Mimms is an accomplished educator and Evergreen Faculty Member Emeritus. A true educational pioneer, in 1972, she founded Evergreen's Tacoma Campus, with the first classes being held at her own kitchen table. With a life truly dedicated to education, during the 1950's and 60's, she served as a role model for African American elementary students.

Dr. Mimms has served as an educational consultant nationally and in the Puget Sound region. More recently, Dr. Mimms founded the Maxine Mimms Academy, a non-profit organization in Tacoma's Hilltop neighborhood, established to serve youth suspended or expelled from public schools. The academy provides an educational program that prepares the student to succeed when they re-enter public schools. She continues to teach a variety of courses on leadership, curriculum, diversity, school community relations and research in the experienced educator program.

Dr. Mimms earned her B.A. from Virginia Union University, her M.A. from Wayne State University, and her Ph.D. from The Union Institute. During the 1960's and 70's, she was assistant to the Director of the Women's Bureau in the U.S. Department of Labor. She has also served on the Washington Governor's Committee for Educational Reform, with an emphasis on assessments and budget revitalization.

PROCESSIONAL MUSIC

Provided by MarchFourth Marching Band, from Portland, Oregon.

CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16th-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has increasingly become the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

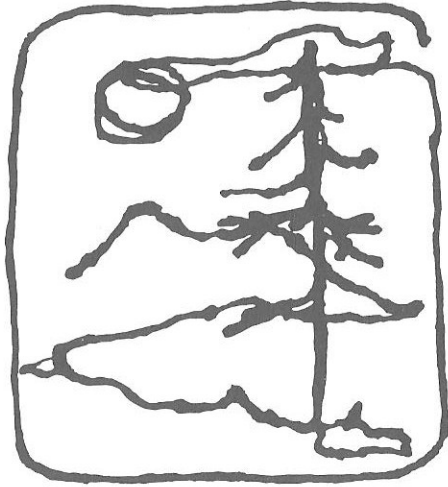

THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

ACADEMIC COSTUMES

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

GEODUC FIGHT SONG

1. Go, Geoducs go,
Through the mud and the sand,
let's go.
Siphon high, squirt it out,
swivel all about,
let it all hang out.
2. Go, Geoducs go,
Stretch your neck when the tide
is low,
Siphon high, squirt it out,
swivel all about,
let it all hang out.
