The Evergreen State College Visual Environment Group is seeking participants from the Olympia-area community to help coordinate exhibits in the college art gallery.

Doug Kahn, acting student coordinator of the gallery, said a public information meeting will be held October 10 at 7:30 p.m. in the circulation area of the Library.

"We'd very much like to have some community persons join us in our efforts to provide exhibits for not only the college gallery, but for other galleries in the area," he said.
