...MORE THAN 200 TO GRADUATE; CEREMONIES SET FOR SATURDAY...More than 200 students are expected to complete their bachelor of arts degrees at Evergreen June 8, the final day of Spring Quarter. Graduation ceremonies will be held the following day beginning at 2 p.m. on the central campus plaza.

Featured speakers for the afternoon ceremony will be Evergreen Vice Presidents David G. Barry and E. J. Shoben Jr. Music will be provided by the Recorder Consort, directed by Faculty Member E. Jackson Webb; the Choral Ensemble, directed by Faculty Member Don Chan, and a blue grass band, directed by Faculty Member Dave Hitchens. A brief reception will follow the ceremony.

...NEW COMPUTER DIRECTOR NAMED...York Wong, a man with more than 16 years of technical and managerial experience in the computer profession, has been named Director of Computer Services, according to Vice President and Provost Edward J. Kormondy. The appointment is effective September 1.

A management consultant to the City of New York since 1969, Wong served as director of the Data Processing Center at Columbia University from 1962 to 1969. The 36-year-old computer expert organized Columbia's first administrative data processing department with a 100-person staff and helped develop and implement systems for registration, grade reporting, course evaluation, budget and payrolls and other administrative tasks. Wong, a 1956 graduate of the University of Arkansas, has a master's degree in Business Administration from Columbia.

...ECONOMIST PRISCILLA BOWERMAN TO JOIN FACULTY...A Phi Beta Kappa graduate of Vassar College, Priscilla Bowerman, has been named to the faculty for the 1973-74 academic year, according to Provost Kormondy. Mrs. Bowerman, a 1966 graduate of Vassar, earned her master's degree in economics from Yale University in 1967 and is currently a candidate for a doctorate in economics from Yale. The 28-year-old professor is an instructor of economics at Oregon State University. She has also served as a research assistant at Yale and as an intern for the Joint Congressional Economic Committee in Washington D.C.

In addition, Mrs. Bowerman has received fellowships from the National Science Foundation, the Woodrow Wilson Fellowship program and the Danforth Graduate Fellowship program.

...STUDENTS' PROPOSAL APPROVED BY McCLEARY PLANNERS...Human Ecology students have received approval from the McCleary Planning Commission for their in-depth studies on the town's housing problems, economic development and physical environment. Faculty Member Rob Knapp said eight students from Human Ecology and two students from Urban Planning have spent the majority of the past two quarters compiling the studies at the request of the McCleary Chamber of Commerce. The 49-page report will go before the city council June 14 for final approval. If it is approved, Knapp said it will become a part of the town's comprehensive plan and as such will have legal status.

...CONTEMPORARY MUSIC STUDENTS TO PRESENT CONCERT...A variety of musical entertainment will be provided by students in the Contemporary Music and Sound Seminar June 5 at 8 p.m. in Lecture Hall One. Directed by Faculty Member William Winden, the group will present a concert entitled "Eight Easy Pieces." Music will include electronic and non-electronic sounds, dance performances and several multi-media presentations.
