Pat Spark, a visiting faculty member at The Evergreen State College, will discuss contemporary weaving and dyeing in a free public slide/lecture at Evergreen February 4, beginning at 7:30 p.m. in Lecture Hall ~~Two~~ <sup>Five</sup>.

Ms. Spark, a recent master of fine arts graduate from the University of Washington, is currently offering a two-quarter academic program on weaving. Her talk is part of the continuing Wednesday lecture series offered by Evergreen faculty artist Peggy Dickinson as part of her course on "Craftsman in Contemporary Society".
