ROB KNAPP

TO THE DEANS:

This project/program is designed with the needs of SW WASHINGTON historical societies ~~in~~ ^{AND} MUSEUMS in mind. It WAS planned ~~in conjunction~~ with Derek Valley, DAVE NICARDI, AND Del McBride of the STATE CAPITAL MUSEUM, AND with NANCY Pryor of the WASHINGTON STATE LIBRARY.

We believe this program should be eligible for funding AND would like your help + advice in seeking funds (see page 9 AND 10).

This is A contribution toward Northwest Native American Studies SPECIALTY AREA.

Susi Strasser knows nothing about it — But I'd like to talk to her about it.
