The Olympia-owned Mansion Glass Company, a stained glass cooperative, is currently exhibiting a dozen of its finished pieces and work sketches in The Evergreen State College Library Art Gallery. The exhibit will remain on display only through March 5.

Owners and artists of the Glass Company, all former Evergreen students, will present a slide/talk on stained glass art Monday (March 1), beginning at 7 p.m. in the Library Art Gallery. The young businessmen and women will also discuss formation of their company, located at 218½ West Fourth.

Both the exhibit and the Monday Evening gallery show are free and open to the public.
