Dear Tom:

Enclosed please find the bid for A Career Development and Placement Plan for the Quileute and Hoh Tribes of Western Washington.

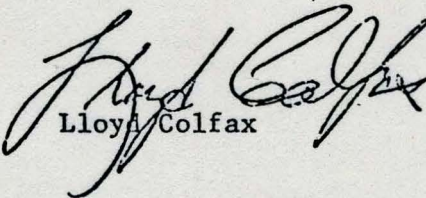

The work as planned will require one other person, besides myself, in order to complete during the time frame.

I have chosen a young Native American woman who has the skills necessary in communication, in teaching, and searching for information that is going to be needed. Her name is Stefanie Hare, she is a Senior at Evergreen State College, and she has agreed to do the work. I am also enclosing her resume' as part of this package.

Since Stefanie has a previous commitment, she will not be available for work until the week of the 17th (June), we are hoping that this will meet with your time lines.

I appreciate the chance to bid on this project and I want you to know that we are both ready and anxious to do the work.

Sincerely yours

Lloyd Colfax
