

The Evergreen State College

April 17, 1972

A handsome new American Flag is now flying at the entrance to the academic plaza at The Evergreen State College following an official ceremony April 14. The flag was donated to the college by the Ira L. Cater Post 318 VFW Auxiliary of Olympia and was raised by an Honor Guard from South Bay Troop 116 of the Boy Scouts of America.

The attached picture number one shows Don Selvidge, VFW Post Commander, and Mrs. Robert Jenkins, Patriotic Instructor for the Auxiliary presenting the flag to Evergreen President Charles J. McCann, as the Honor Guard looks on. Mrs. Jenkins is holding a Washington State Flag, purchased by the college and raised as part of the ceremony.

Pictures two and three show various aspects of the ceremony.
