2002 CLASS DONATION

Proceeds from the sale of graduation announcements and graduation T-shirts provide

between Bread and Roses (a homeless shelter in Olympia) and Evergreen's Forest Canopy
Walkway Project (a series of forest canopy walkways built on campus).

2002 CLASS THEME

"A journey of a thousand miles begins with a single step" (Chinese proverb)

PROJECT GRADUATION

"Feed a Body; Feed a Mind"
Donations of food and books will be made to Olympia community-based organizations.

GUEST SPEAKER

Dr. M. Joycelyn Elders served as Surgeon General of the United States from 1993 to
1994. A pediatric endocrinologist, and the first African American in this position, she initiated
programs aimed at youth: smoking, teen pregnancy and increased childhood immunizations.

During the Senate hearings on her confirmation, Dr. Elders stated, "I want to change
the way we think about health by putting prevention first. I want to be the voice and the vision
of the poor and the powerless. I want to change concern about social problems that affect health
into commitment. And I would like to make every child born in America a wanted child."

She resigned her post in December 1994 to return to the University of Arkansas School
of Medicine where she remained until retirement. Dr. Elders continues to lobby tirelessly for
the health needs of the young, the poor and the powerless.

PROCESSIONAL MUSIC
Provided by the Samba Olywa Band

The program will last approximately three hours.

Hearing assisted devices are available; please see an usher.

Seating is available for individuals with disabilities.

We ask all those attending to please refrain from smoking during the ceremony.

**We request that family and friends of graduates refrain from taking pictures
in the roped-off section in front of the stage.**

A professional photographer, The Picture Man, Inc., will photograph each graduate
crossing the stage to receive a diploma. A sample photograph with ordering information
will be mailed to each graduate about two weeks after Commencement.

We ask the audience to remain seated until the Recessional has concluded.

CEREMONIAL MACE

Originally a weapon used in medieval warfare by a king or great noble, the mace has become a symbol used on ceremonial occasions. As an academic device, the mace goes back to 16th-century England, when Queen Elizabeth I presented a replica of her own royal mace to the corporation of the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. Since that time, it has become increasingly the custom for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Evergreen State College mace is a gift from the late Byron Youtz, former Academic Vice President and Provost, who donated the materials, and Faculty Member Emeritus Earle McNeil, who gave his time and talent to its creation.

The shape of the cap is suggestive of a crown and represents the principle of knowledge and experience. To remind us that such an integration is a carefully balanced blend of diverse aspects of human nature, there are four inlaid circles symbolizing four major ways of experiencing the world—thinking, feeling, intuiting and sensing—and four main characteristics of the human mind—wisdom, innocence, introspection and illumination.

THE COLLEGE MEDALLION

Medallions are traditionally worn by presidents and chancellors at ceremonial occasions. The medallion designed for Charles McCann for his inauguration in 1972 was given by Dr. McCann to the Library Archives.

The college's second medallion (which President Purce wears today) was designed in September 1994 by Spokane artist Joyce Attwood. It is fabricated of moonstone (from Nepal), paua shell (from New Zealand), turquoise, silver, copper, brass, gold and acrylic and is suspended on a 30-inch chain (from Thailand). The medallion design shows an evergreen tree with Mount Rainier and the sea in the background. It is an interpretation of the Evergreen logo, designed in 1973 by Connie Hubbard, the college's first graphic artist. In 1983, the Board of Trustees approved the "tree" as the official college emblem and it was registered with the Secretary of State as Evergreen's logo.

ACADEMIC COSTUMES

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was the dress of a cleric. Long gowns and hoods were worn and may have been necessary for warmth in unheated buildings. Today, many institutions choose distinctively colored gowns. The design of the sleeve indicates the level of the degree earned by the wearer. Hoods have both the colors of the institution and a band indicating the academic discipline in which the degree was earned.

GEODUC FIGHT SONG

1. Go, Geoducs go,
Through the mud and the sand,
let's go.
Siphon high, squirt it out,
swivel all about,
let it all hang out.
2. Go, Geoducs go,
Stretch your neck when the tide
is low,
Siphon high, squirt it out,
swivel all about,
let it all hang out.
